Professional Summary

Python developer with hands-on experience in AI-driven Computer Vision and NLP projects, spanning model training, real-time inference pipelines, and end-to-end system integration.

Experience

IAST Software Solutions : Software Engineer Trainee (AI/ML Intern) Mar 2026 - Present

- Built a real-time drowsiness-detection system using OpenCV and MediaPipe (EAR/MAR, head-tilt tracking).
- Trained a custom YOLOv8 PPE detection model to 0.92 mAP; built a multi-camera inference pipeline with Supabase-based evidence storage.
- Built a spill-segmentation model (97.4% box mAP, 96% recall) for an Aluminium Sludge Cleaning Robot; integrated output with a CoppeliaSim-simulated IRB4600 robotic arm.
- Currently working on a real-time object-detection and distance-estimation pipeline using a single RGB camera to identify objects and estimate their distance from the camera.

Projects

Skill Gap Analyzer using NLP

[Live Deployment](#) | [GitHub](#)

- Built an NLP-based resume analyzer using spaCy and fuzzy matching to compare candidate skills against 800+ job roles.
- Achieved an 89.92% F1-score through PDF parsing, skill extraction, and job-skill matching.

Fake WhatsApp Message Detection System

- Developed an ML-based spam and fraud message classifier, comparing Decision Tree and Random Forest models.
- Achieved 99.39% accuracy, validated using a confusion matrix.

Technical Skills

Programming: Python

Database: SQL

Libraries: NumPy, pandas, OpenCV, spaCy, matplotlib

Tools: Google Colab, GitHub, Git, VS Code, Jupyter Notebook, CVAT

Education

B.E. Computer Science 2022 - 2026

Biluru Gurubasava Mahaswamiji Institute of Technology, Mudhol : (CGPA) 8.36%

PUC (12th) 2020 - 2022

STJ PU College, Vijayapur : 79.95%

SSLC (10th) 2010 - 2020

New Kannada Madhyamika Vidyalaya, Morabagi : 78.80%

Achievements

- Selected for KSCST Student Project Programme (SPP) 2025–26 – Skill Gap Analyzer using NLP
- Secured 2nd Prize in National-Level Paper Presentation – Paper on Skill Gap Analyzer
- Presented Research Paper at International-Level Technical Conference – Paper on Skill Gap Analyzer

Certifications

- Deloitte Technology Consulting Virtual Internship (Forage)
- Infosys DSA Certification
- TCS iON Career Edge - Young Professional
